Not sure which cut of meat you or your gift recipient wants? Our steak sampler pack fits the bill! Our New York Strip steak, also sometimes called the Kansas City Strip depending on what part of the country are you in, is one of the most popular steaks available. Our Porterhouse Steak combines two fantastic steaks into one big steak. This steak is definitely for the person with a very hearty appetite. Our Rib Eye Steak is both flavorful and tender, coming from the lightly worked upper rib cage area. Its marbling of fat makes it very good for fast and hot cooking. Because our T-Bone Steaks contain meat from two of the most prized cuts of beef (the short loin and the tenderloin), T-bone steaks are generally considered one of the highest quality steaks. Steaks processed in Nebraska, where they know good meat. Certified Star Ranch Angus Beef.
