Our chuck roast, cut from corn fed Angus Beef, is ideal for an easy meal. Add your vegetables and put it in the oven or crock pot for slow cooking. It makes a mouth watering meal with very little effort with the result of a robust, beefy flavor that does well when cooked in moist heat. Long for the good, old days? This is an old-fashioned cut. Roasts processed in Nebraska, where they know good meat. Certified Star Ranch Angus Beef.
