It is no wonder that these steaks are a favorite among our customers. Our delicate cut of beef comes from the non-working muscle called the tenderloin of the corn fed Angus beef. Cut with precision, this petite steak is known to have the most tenderness available in steak which arguably makes it the most desirable cut of beef available. The name is French for "tender fillet" or "dainty fillet". Also known by the misspelling of Fillet Mignon. Steaks processed in Nebraska, where they know good meat. Certified Star Ranch Angus Beef.
