Our Porterhouse steak, cut from corn fed Angus Beef, is the best of both worlds - a big, beautiful steak. This steak is two steaks in one, on the inside you get the Filet Mignon and on the outside you get the Strip steak. The T-Bone that sits in the middle is what combines these two fantastic steaks into one big steak. This steak is definitely for the person with a very hearty appetite. It is a tremendous meal, a challenge even. As a steak for two, this makes the perfect "special occasion" steak. Steaks processed in Nebraska, where they know good meat, that's great for grilling on your grill at home or at a tailgate party. Certified Star Ranch Angus Beef.
